

Dear Valued Customer

Outback Trading has found it necessary to update our hat prices due to fluctuations within the global economy in recent months. While we do not like to make such changes in the middle of the year, we have found this to be unavoidable and these changes will go into effect on all new orders placed starting on September 1, 2019. We regret the necessity to raise prices and remain committed to providing you and your customers the highest quality goods at the most competitive prices possible.

Please note that we will also update our existing MSRP and IMAP on September 1 to coincide with the updated prices. For additional information please visit our website: <https://wholesale.outbacktrading.com/imap>

Should you have any questions about these changes, please contact your Sales Representative or your Customer Service Representative.

If you have received this notice in error, please pass this information along to the appropriate person within your company.

Sincerely,

The Outback Trading Team
